Documents Required –

A birth certificate alone no longer satisfies border requirements. Picture ID required. Please prepare for your border entry. To check your status or for more information phone:
Immigration 807-274-3818 or
Port of Entry 807-274-9780
Passports required in 2008.

Weight Restrictions / Pre-Ordering

150 pounds of gear per person is the target weight for each group. If, for any reason, your party cannot come within the weight restrictions please call ahead so that we can discuss your options.

Beer, water, soft drinks, groceries, ice, bait, and licenses may be pre-ordered through our office. Complete food package available.

We recommend that guests arriving the night before check in at the float plane base. Guests arriving on a same day departure should make us aware of their estimated time of arrival.
